The EWI Department is located on the 15th and 16th floors of the Ellipse building, in 1030 Brussels within a stone's throw (2' walk) from the Brussel Noord railway station.

By car

The Ellipse building has an underground car park for visitors (level -3), at 50 m past the building entrance, at the end of the Koning Albert II-laan, on your right side. At the barrier at the car park entrance, you say your name, number plate and the person with whom you have an appointment. Elevators A12 and A13 will bring you to the information desk. On street parking has to be paid for (parking meter).

By train

You take the train to Brussel Noord, and leave the station through the main entrance. Walk up to the roundabout and turn right. You are now in the Koning Albert II-laan. The second building to your right is the Ellipse building, Koning Albert II-laan 35. You present yourself at the information desk and ask for the person with whom you have an appointment. You will then be guided to the 15th floor.

Subway

The easiest way to reach the Ellipse building is by train. The Rogier or Yser subway stops are nearest.
