EU MISSIONS = transformation at system levels
→ need for advanced coordination and exchange
across EU Missions and between mission actors

**European Mission Network
(EMiN)**
- Making Missions Work -

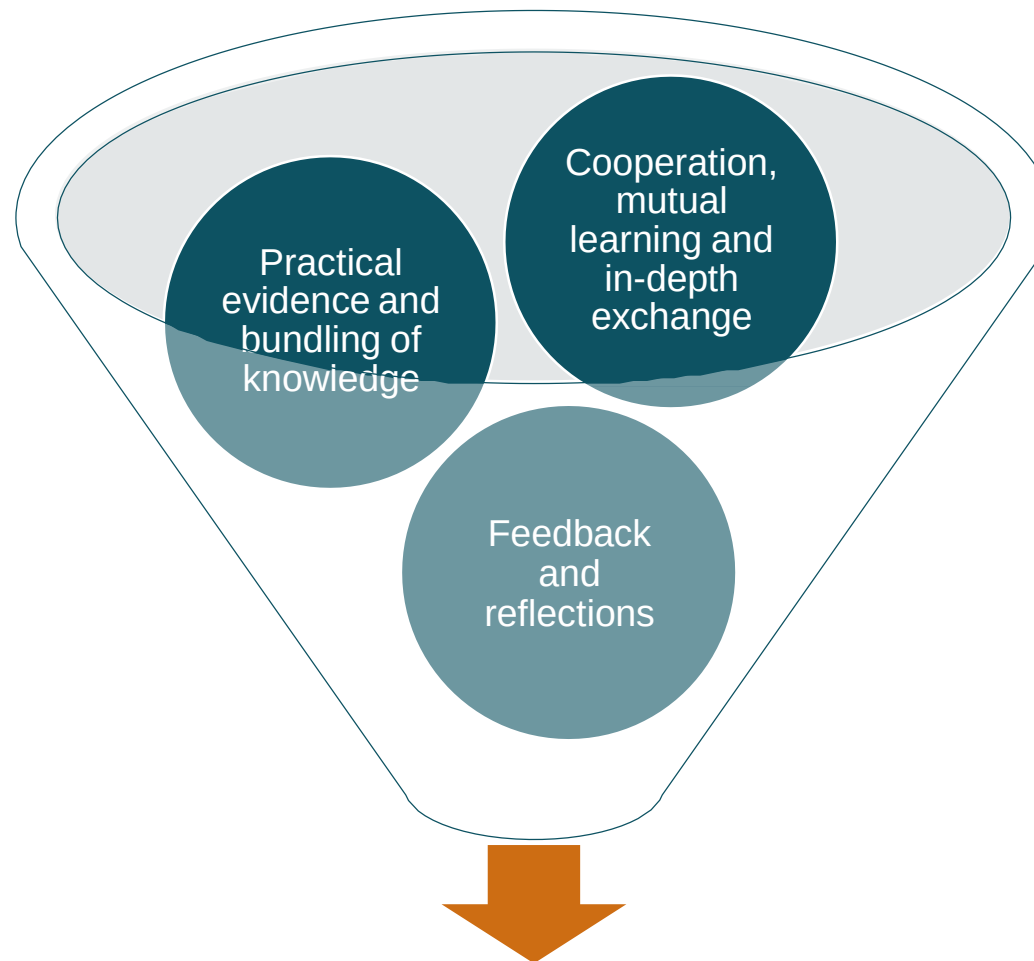

Funded by
the European Union

Objective

The overarching objective of the EMIN is to establish a **Community of Practice** by building a cross-mission, multilevel network of EU Mission actors in close coordination with ongoing thematic mission networks / mission hubs in development and EU Mission related structures at European, national, regional and local level.

OBJECTIVE

Building a recognized **COMMUNITY OF PRACTICE** that supports mission governors, actors and stakeholders to successfully deliver across all the EU Missions' objectives

What makes the EMIN different?

It's

- ✓ Cross-cutting all Missions
- ✓ Interdisziplinär
- ✓ Transdisciplinary
- ✓ Facilitates Synergies
- ✓ Cooperates with other projects, hubs etc.
- ✓ Mutual learning oriented
- ✓ Co-Designed
- ✓ Sustainable

.... Making Missions Work!

...THEN EMIN IS THE PLACE FOR
YOU!

Funded by
the European Union

And ...

What's

next?

Next EMINs focus on:

- 1. EU Mission Review?**
- 2. Getting Research into the Missions**
- 3. Co-Creation and the Missions**
- 4. The Role of Social Innovation in the Missions**

**Every second Thursday of the month:
EMIN Coffee Chat**

Join the EMiN....
